Ninja Makes Preparations to Go Global!

The Ninja Pty Ltd has recently signed with International Sales Agent "NonStop Sales" to represent the worldwide sales and distribution for the film.

NonStop Sales, a division within Millennium Media Group AB (MMG), was established in October 1998 by Ignas Scheynius and Carl Göran Anderson and is backed by a number of leading financial investment groups.

To those not familiar with the sales and distribution of movies, the role of an International Sales Agent is to represent a film to sell the Theatrical, DVD, broadcast and other viewing rights to each country around the world.

The team is currently at Mipcom which is the International Film and Program Market for Television, Video, Cable and Satellite in Cannes, France.

At its conclusion, the team will then head to the American Film Market (AFM) in November next month. The American Film Market is the largest motion picture trade show in the world.

Held annually in Santa Monica, the event brings together those companies that control films rights (sellers) and those that need films to distribute through theatres and other media in their home countries (buyers).

Film Synopsis

Three months after the murder of Global Tech CEO John Carpenter, a mysterious package is delivered to his assistant, Jenn Summers (Tania Zaetta).

On the same day, two police officers are murdered while investigating a broken down post office van. Assuming the officers identities, the murderers take with them only the delivery information of Jenn's package.

Rob Reeve (Rob Beard), a civilian who emerges from the shadows, helps her escape certain death, leading them into a deadly race against time - a race to prove that they have been framed and to save their own lives.

In a fight against a corrupt company CEO, crooked cops and a group of deadly ninja assassins, Reeve and Jenn can only turn to Detective Matthew Reynolds (John Wesley Shipp), who is hell-bent on discovering the truth. These events leave them all wondering; who decides what's right and when it becomes wrong and who decides the law?

Find out in this hard hitting explosive thrill ride as real life ninja warrior Rob Beard & Aussie action girl Tania Zaetta team up in the action packed film THE NINJA. Fans of films like THE BOURNE IDENTITY will love THE NINJA.
